A Message From The New LSNA President

It's hard to believe that a new year has arrived. 2003 holds much promise for our neighborhood and East Nashville. In the short four years that I have lived here, I have witnessed so much positive change and growth that it constantly amazes me. With new restaurants and businesses opening each month, and new construction or renovation work on nearly every block, this year holds much promise of the same.

At the November LSNA meeting, several new faces were elected as board members, and I am excited about the energy and leadership they bring. I hope with their assistance and yours, we can continue to build and improve our community. If you have questions, concerns, ideas, or just want to get involved, I encourage you to call or e-mail me, or a board member. We appreciate your continued participation and support of your neighborhood association.

Tim Walker
LSNA President 2003

RE! REDISCOVER EAST! news

As most Lockeland Springs residents know, Rediscover East! is the non-profit organization established by the R/UDAT plan after the 1998 tornado. Rediscover East!'s mission is to improve the quality of life in East Nashville neighborhoods, which it accomplishes through committees that address everything from the arts to zoning. Lyn Bingham and Alicia Robertson are our Association's representatives on Rediscover East!

Rediscover East! has recently developed a list of long-term goals, including short-term and intermediate goals — all of which fulfill the organization's mission to improve the quality of life for East Nashvillians.

As an example, there are goals to encourage development of neighborhood-friendly businesses along and in the major corridors and commercial corners of East Nashville.

There are several ways to learn more about Rediscover East!, the committees, and how you can get involved:

- visit RE!'s website at www.rediscovereast.org
- call Alicia Robertson (226-4018) or Lyn Bingham (650-8091)
- come to RE!'s monthly meeting on the first Monday of every month at St. Ann's Church (5th and Woodland) from 5:30 to 7:30 p.m.

2002 Lockeland Springs Christmas Tour of Homes

December's LSNA Home Tour was a big success for the neighborhood. The event raised over 5,000 dollars with more than 500 attending the tour. It brought our neighborhood and the area a great deal of positive exposure. The tour couldn't have happened without the hard work of the neighborhood board and the volunteers. Many thanks to the homeowners, East Academy, Bongo Java Roasting Company, Plowhaus Gallery, Eastwood Christian Church, Woodland Presbyterian Church, and the firemen at the Holly Street Fire Hall for opening their doors to all of Nashville. Special thanks goes to our tour book advertisers, Professional Reprographics, Creative Access, Belmont Mansion, and the Jugg Sisters from NashTrash Tours.

THIS MONTH: Crime and Safety in the 'Hood

In response to the recent crimes

that have occurred in the neighborhood, the topic at this month's general membership meeting is "Crime and Safety". The meeting will be held in the East Library's meeting room on Thursday, January 23rd, starting at 6:30 p.m.

We are pleased to have Sgt. Shawn Parris from Metro Police Department's Crime Prevention Unit at the meeting to discuss the various ways in which we can protect ourselves, our homes, and our vehicles. In addition, Sgt. Dan Ogren from our very own East Sector will be present to talk, and answer questions,

about the specific recent criminal activity in our neighborhood.

Please plan on attending this important meeting! This will be a great opportunity to become more self-aware and to learn what we can do to help prevent the crimes that have been happening in our area. We encourage you to bring your questions and constructive comments to share with Sgts. Parris and Ogren and your neighbors.

If you would like to attend the meeting, but require special assistance in getting there, please contact Lt. Read Majors, the ADA Coordinator for the Metro Police Department, to arrange transportation.

INFORMATIONAL MEETING:

Ellington Parkway Expansion

A meeting is planned in conjunction with the ReDiscover East! Urban Design Committee to preview plans for the proposed Ellington Parkway widening. The meeting will be held at St. Ann's Episcopal Church on Tuesday, February 11th at 5:30 p.m. Representatives from the Tennessee Department of Transportation (TDOT) will be on hand to answer questions and address neighborhood concerns.

MERCI BEAUCOUP Y'ALL!

The 2002 year in Lockeland Springs ushered in a lot of positive changes to our neighborhood. Lots of new neighbors moved in, most of whom were genuinely interested in becoming more involved with the East Nashville community. We introduced an East Nashville Business Directory and new businesses opened such as the Red Wagon Café, Lipstick Lounge, Nitwit, 4 Paws @ 5 Points and other new restaurants in our immediate vicinity; Family Wash and Chapel Bistro. Bravo for us!

Personally, as the 2002 President of Lockeland Springs Neighborhood Association, I feel LSNA made some good and solid progress toward deepening the potential of our impact in the community. We have a handful of new and energized board members eager to contribute (not to mention our wise and seasoned Board veterans), our newsletter is FINALLY on solid footing (thanks to the tireless efforts of Alicia Robertson and of Francis LoGiudice of Professional Reprographics), and we have a clear sense of direction and commitment to making 2003 be the year of concrete changes. The 2002 year was spent strengthening our foundation and under the new presidency of Tim Walker the 2003 year is sure to be a tremendous success.

We are one of the most fortunate Neighborhood Associations in Davidson County. Our board members take pride and responsibility for the livelihood of this community. I am honored to have had this chance to work with each of them, and to now be able to call them my friends. Thank you for a great year. I dig this 'hood!
